Office Memorandum

TO : Jerry Skelton
Transportation Planning
District 9 - Oakdale

FROM : John Sem
Director
Traffic & Commodities Studies Section

SUBJECT: TH 55 - W.C.L. to Jct. TH 61,
Hastings - TA M300

DATE: 6/22/83

PHONE: 6-1602

Enclosed are schematic turning movements of year 2008
ADT and DHV for TH 55 interchanges at Pine St., Westview
Dr. and Pleasant Dr.

Basic Data

- 1 - 1980 machine counts supplied by District 9.
- 2 - 1976-1982 ADT from Official State Flow Map.
- 3 - 1983 short-count turning movements
- 4 - Photo-log and field inspection of access and development.
- 5 - Interview with Morris Gildemeister, Mn/DOT employee and long-time resident of Hastings.

Procedure

System 3E computer loads are based on 2 cextroids for the Hastings area. Therefore, load and traffic flow have no relation to past or current ground counts or future traffic flow. Traffic growth rates are based on 1976-1982 period. Traffic volume changes during this period reflect extensive development along TH 55 in the vicinity of Westview Dr.

Opening Year ADT
